**What do you think about Square Dance?**

**I know, I know...!** You cannot dance! Square Dance is for old people! You had to learn it in school and you hated it! Or you never learned it!

**But if I tell you...**

- It is actually more walking, than dancing!
- It is an activity for people of all ages!
- I promise it can be so much fun!
- Everybody can learn it (even me)!

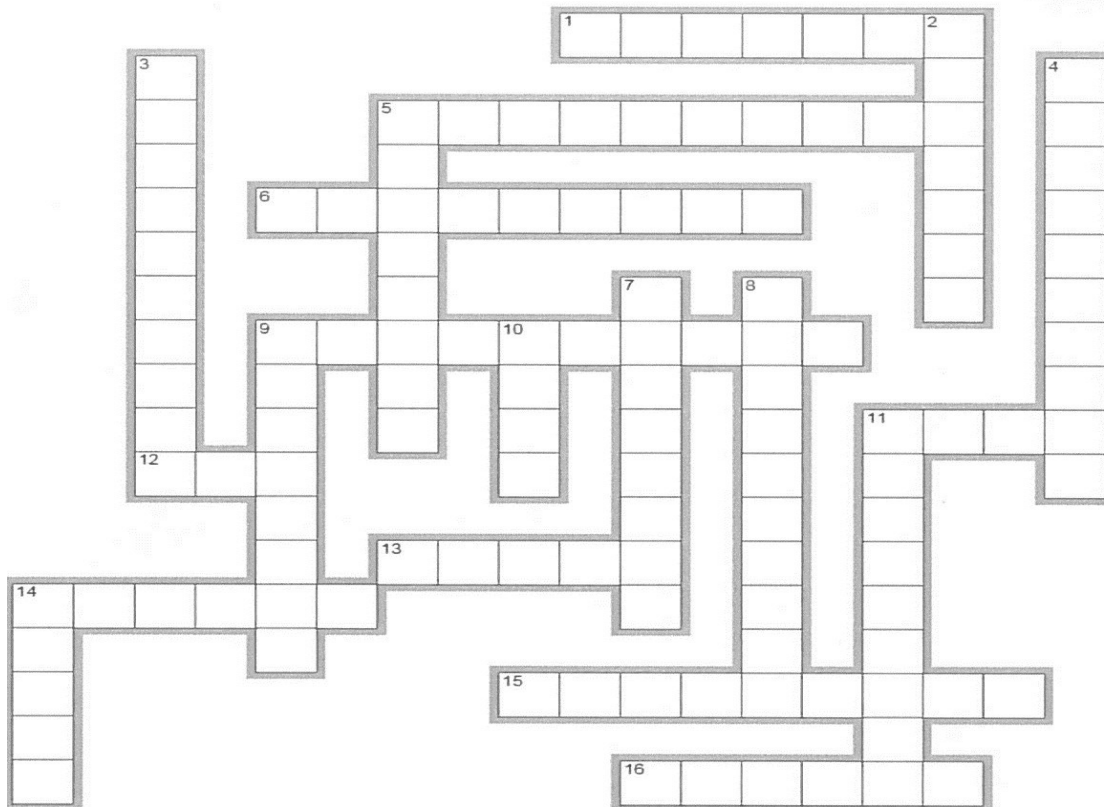

I am looking for people of all ages, who would be interested in forming a Square Dance Group, or maybe somebody who used to be a Square Dance Caller in the past.

**If interested, talk to Heidi at the Village office!**
