COMING SOON! WAGON TRAILS VOLUME II

Heisler is planning an updated history book of the community and surrounding area. This hardcover book with color photos will be professionally printed and bound by Friesens Corporation. It will include family histories and memories of those who lived here in the past and those who live in and around Heisler today. We plan on including a section on heritage barns in the area.

WE ARE LOOKING FOR YOUR STORY

To help you tell your story we are including history story guidelines. Here are some story ideas for your family history submission. Remember, your family's story is unique – you may add to, or leave out story lines as you wish. This is a general guideline to follow if you are not sure what to include.

- Full name and maiden name, where born and raised
- Marriages, births, anniversaries
- Where your home was and exact land location
- Parents (names and occupation)
- Brothers and sisters
- Children, name, marriages, births
- Grandparents, names and occupations
- Interesting incidents and events
- Deaths (age, where and when)
- Immigration to Canada (from where, when, reasons and means of transportation)
- Education, religion, occupation or trades
- Names of your neighbours and/or hired help
- Community interests, sports, hobbies, awards and special achievements
- Agriculture, ranching, businesses or government involvement
- Armed forces service: past and present, when and where served
- Natural phenomenon: floods, fires, storms, etc. Include impact on family
- Special stories or memories: favourite memories or best stories about events, incidents or characters in your family, church, club, business or community

Please indicate who has written the story. The publication committee reserves the right to edit your stories for the purpose of length or repetition, however we will keep the stories as close as possible to what you have provided.
