HEISLER LIBRARY

The Heisler Library encourages everyone living in town and the rural area to come into the library and check out a book or order a book if you do not find one on the shelves.

We will give you a free membership. You can then go to the library website @ <http://heislerlibrary.prl.ab.ca> and order or renew your books.

Videos and audio tapes are also available.

It is so nice to see new village residents come to the library with their children and check out books.

We received several audio listening cassettes. Thank you for these donations.

All five selections are read by Will Patton.

A popular book called The Glass Castle by Jeannette Walls has been added to our shelves along with several other books.

HAPPY READING

FOR YOUR INFORMATION.....

- In the proposed Flagstaff Waste Management 2012 budget, Flagstaff Waste has raised the Village of Heisler's 2012 garbage collection requisition by 70.4% and has raised requisitions for all of the surrounding municipalities as well. This increase will affect your garbage rate for the rest of 2012. You will see a raised rate for garbage collection on your utility bills until the end of the year. We are researching cost effective ideas for the future and will keep you up to date on any options that may arise. We appreciate your patience.
